Dear Bernie,

*Thank you for your wonderful presentation to the Henderson Rotary Club Tuesday, October 23, 2018. Our members really enjoyed meeting you and learning about how to be a leader and giving person in our community. The information was very interesting especially your personal stories and the funny ones too. Our members have shared it with their businesses and friends. You have a wealth of knowledge on this subject. It is a pleasure to know that you have and continually are using your talents to better the Las Vegas and Sports community.*

*We appreciate your support of our Rotary Club. If you know anyone who is interested in Rotary in the Henderson downtown areas please refer them to our Tuesday meetings. As you know we meet each Tuesday at noon and would love to share lunch with them there. Please feel free to join our group at our meetings whenever you can.*

*If you have any questions that I have not answered please give me a call at 702 203-0269.*

*Sincerely,*

*Dianna Fyke*
